

Boyden PAC meeting February 13th 2019

Tara Dwyer, PAC Chair Open meeting at 7:03 pm

Approve January minutes. Motion to approve. Approved.

1. Boosterthon Guest speaker- Rophe Mason from Boosterthon is here tonight to explain a fundraising idea. This fundraising company would partner with Boyden. This fundraiser would all happen during the school day. There are many tiers of help this company will provide for the Boyden school. Boosterthon can run the entire event for the Boyden for a fee. There are two other tiers of the program where parents are more involved in the fundraising. Because it is the first year for the Boyden, conversation seemed to agree on the 100% company run fundraiser for this year. This would cost the Boyden \$2000 Base cost. Boosterthon also would collect a percentage split- the more you raise the more you keep. All of this information would be written up in the contract.
Conversation continued after Rophe left. The fundraiser was put to a vote and agreed to go with the Boosterthon running this event 100% for us. Motion to approve and approved.
